## Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than your regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if he/she can comply with your request. Night Stop service is available only between 9 p.m. and 5 a.m., and is for dropping off riders only. Night Stop is not provided in the downtown Ride Free Area.
